Welcome Back Pool Party

Chorus Board members Barry and Cindy White opened their home in early September, hosting a pool party to kick off the concert season. It was a beautiful day for a dip in the pool and a great time to visit and welcome new members. Party goers enjoyed a delicious spread provided by the Board. Many thanks to Barry, Cindy, and all who contributed!

Carmina Burana

The first concert of the season was first performed at the Cannon Center, and then at the University of Mississippi. The Memphis Symphony Chorus, the University of Mississippi Chorus, and CoroRio were featured. The Memphis Symphony Orchestra also performed Camille Saint-Saens' Danse Macabre.
