

**Memphis Symphony Chorus Board of Directors
Ballot 2024
3-year terms from 2024 - 2027**

Charles Dove (B2)

Greetings to you all. My name is Charles Dove II. This is my second full season singing with the chorus. The work that we have done together to create has often been meticulous and sometimes laborious. But it is always rewarding. This group has truly become like family to me. And for that reason, I'd be honored to be considered for a seat on the board of this illustrious organization. It is my hope that I will be able to continue to learn from you in many ways, while also giving a fresh perspective on a few things. Together, our greatest masterpiece is only a few measures away.

Gerre Harrell (A2)

I am Gerre Harrell and I have been in the chorus since January 2014. I am currently on board and would like to serve you again. I am one of the librarians and try to make sure that you have water for performance week. You may know me by my wagon and my shopping basket to both carry music and water.

Joseph Powell (T1)

I am running for the board because of my desire to give back to an organization that has given so much to me. I have enjoyed serving in a leadership position for the past 3 years and would love to continue to contribute my time and talents by continuing on the board.

Al Whitney (B2)

I have been a Memphis Symphony Chorus member since our 2013/14 season and have completed my 3rd term on the board (currently serving as treasurer). I am also a member of the Mississippi Blvd Christian Church Sanctuary Choir and sing with other local choral ensembles. Having retired as a Director in IT at Smith-Nephew, I am happy and willing to continue service in any capacity that advances MSC and MSO.

Cathy Wilhelm (S2)

The 2023-24 season is my first season to sing with the Chorus and I am thrilled to be a Chorus member. I have been challenged and encouraged musically beyond my wildest expectations. For each and every practice and performance everyone brings their best at all times, and this gives such a gift of music excellence to our community. I am so grateful to be a part of this musical excellence and happy to serve in any capacity to support such excellence. I would be honored to be considered as a board member.
